

Hello and Thank you so much for covering my classroom today! I really appreciate it. 😊 I hope you enjoy my firsties as much as I do.

Everything you need is on the yellow table. Please do not worry about getting to everything.

My laptop password is Charlie82188* - - - sometimes my laptop does not turn on you can hold the power button to restart it if you need to. 😊 If you need to get on a computer feel free to use any of the chrome boxes in the back of my room.

HOMEROOM

As students start to come in at 7:50 they will put their BEE Binders in the pink bin beside their cubbies. Please check their communication folders in their BEE Binders. If there are any notes please initial them and write **Wight-I** on them, they will go in my green folder. Please send my Black Folder up to the office at 8:25.

Students may make a daily 5 free choice: LEXIA, WORD WORK or READ TO SELF.

8:20ish -Little Gator News will come on, and after that you may send the black folder up with any notes and my attendance and lunch count paper with Emilee-Rae Yeager it is her special day. If you need any extra help Miss Jamie, Kelsey's nurse is a huge help.

They may trade pencils with you. If they need them sharpened my sharpener runs the whole time while it is plugged in.

8:30-8:45

Calendar Activities

Students will come over to the calendar after Little Gator News. I go over all of the items on my calendar bulletin board. Students will be able to assist.

8:45-9:00

Sight word Book

Complete all of the activities as a class correct it and send it home!
:)

9:00-9:15

The Clever Leprechaun

Read the passage to them first. Second read have them echo you. Third read they read it quietly in their head. *Color in the crayons 1, 2, 3* after each read.

Have them get out a red, blue, and yellow crayon or colored pencil, and complete the comprehension activities. Again... this would good to do under the document camera. Then independently they can complete the drawing activity.

You can check these and send them home.

9:15-9:30

Verb Tense

Have students sort verbs by past/present/future.

Discuss that past means that it has happened before. Present means that it is happening now. Future means that it will happen.

Complete it together. Students can cut and glue along with you! Have them try to use the words orally in a sentence as you go.

9:30-9:45 ****This would be a good time for a biography reading break and a discussion about the importance of that person. :) >>> You will use information later.**

9:45-10:00

Rainbow Rays

Have students break apart two compound words.

I have left some examples for you behind the yellow worksheets. My students are really enjoying compound words in phonics. See if they can come up with any on their own. You will want to complete this whole group.

10:00-10:30 Daily Five Free Choice

ALLOW FOR THEM TO WORK ON LEXIA, WORD WORD, OR READ TO SELF... You can choose the kids who get to go first, if you need this time to pull kids to finish activities with them from the morning you can. You can put any of my "extra" activities out for word work.

During this time please pull kids to read the stories that they have in their BEE Binders that I have tagged with their names. :) THANK YOU! They will take them home again in their BEE Binders.

10:30 CLEAN UP AND GET READY FOR LUNCH

LUNCH officially starts at 10:40 ☺ You are not on duty!

Pick up Students at 11:0

11:5-11:55 When you come down read them another biography and discuss the importance of the biography. Discuss the importance of that individual.

COMPARE AND CONTRAST

The two people you read about! :) the kids are really working hard on this. Try to get one thing in each area of the VENN DIAGRAM activity

With any remaining time complete the **Adjectives tell us...**
TRY to brain storm as many as you can! :)

12:00-12:40 Music YOU ARE FREE :)

12:40-1:10 Recess You are the INSIDE ROOM.

1:10-2:15 Math I have left a bunch of math activities please pick from them what you would like! Everything is REVIEW!

2:15-2:30 SNACK I have some things by my sink that they can eat when they are done snacking they can pick up and pack up. *Emilee may bring in snack.*

2:30-2:40 PACK UP - They need to get their things from their cubbies and lockers

As students are done and packed up they can sit quietly at their tables. There are times where I have them put their heads down

IT WILL TAKE SOME KIDS A LOT OF REMININDING OF WHAT THEY ARE SUPPOSED TO BE DOING.

My transportation list is on my black folder.

Thanks so much,
Sam Wight
